Star Parties

Fun For the Whole Family!

People of all ages are invited to view the sun and stars through high powered telescopes at the Farmers Branch Historical Park (2540 Farmers Branch Lane) from sunset to 9 pm.

Viewings are free and open to the public. Members of the Texas Astronomical Society of Dallas will provide a variety of telescopes available for safe viewing of the sun and the night sky. In addition, participants are encouraged to bring personal telescopes.

Tuesday, April 12, 2016

High powered telescopes will be focused on the Sun, Jupiter and its Moons, the Great Hercules Globular Cluster, other star clusters, Planetary Nebulae and Double Stars.

(ALTERNATE WEATHER DATE THURSDAY, APRIL 14)

Tuesday, MAY 10, 2016

High powered telescopes will be focused on the Sun, Mars, Jupiter, Saturn, Globular and Open Star Clusters, Double Stars and Planetary Nebulae.

(ALTERNATE WEATHER DATE THURSDAY, MAY 12)
