## Farmers Branch Police ask for public assistance in locating missing K-9

FARMERS BRANCH / Tuesday, September 1, 2015 ~ Farmers Branch Police are asking for the public's assistance in locating its K-9 which got away from its handler early this morning in a residential area of Plano.

The trained police dog, a Belgian Malinois, with a fawn body and black face, bolted from his handler and was last seen in the residential area of Jupiter Road, between Park Boulevard and Parker Road. He is wearing a black collar and a yellow/green reflective vest that reads "POLICE."

Farmers Branch Deputy Police Chief David Hale said the K-9 is a trained police dog, so anyone sighting this dog is asked not to approach him and not to run from him, but to notify police by calling 9.1.1.
