Gary:

Per your May 30 letter, attached is a copy of my letter that was sent to TCEQ. The letter is self explanatory but if you have any questions, please let me know. As I indicated at the May 28 meeting, until we've had a chance to brief Council which will happen June 10 and have our consultants review the report you provided, I don't know what action the Town will pursue. As soon as I have some direction, I'll follow up with you. Thanks,

Lea
