

FARMERS BRANCH

Welcome to the Farmers Branch Parks and Recreation Department Youth Programs. The Parks and Recreation Department oversees the Holiday Craze and Summer Funshine Programs. Both programs are recreational in nature and not day care programs; they are exempt from daycare licensing while operating under *Standards of Care* (information following the *Parent Guide*).

The Farmers Branch Youth Programs offer children a variety of fun, healthy, and safe recreational and educational experiences. The Youth Programs are led by experienced, well-trained staff and are held in a safe and secure environment. Participants will learn new skills, make new friends, and participate in a wide variety of activities including sports, crafts, community service projects, reading, on-site entertainment, field trips, and other activities that promote education, character development, and good citizenship.

Please take a few moments to read through your Farmers Branch Youth Program Parent Guide. We encourage you to become familiar with the program(s) your child(ren) is enrolled in. This Guide includes The Standards of Care, Program rules, procedures for discipline, medication administration, and more.

GENERAL PROGRAM INFORMATION

(Applies to all Farmers Branch Youth Programs)

Registration Procedures

Only a legal guardian may complete the paper or on-line forms to register in person or online. Caregivers who are not the child's parent must provide proper court documentation stating that he/she is the child's legal guardian.

The Summer Funshine and Holiday Craze Programs are open to children ages 6-12 years. A valid government-issued ID is required for registration. Parents/legal guardians seeking the resident rate or financial assistance must show proof of residency. Proof of residency includes a valid government-issued ID listing a Farmers Branch address and a current utility bill listing a Farmers Branch address.

First-time participants are required to provide a birth certificate or shot record for age verification.

All participants must be toilet trained to participate in a Youth Program and be able to handle all toilet functions independently.

Participant's Information Files

Parents/legal guardians must complete a set of registration forms for each child. The registration forms include the child's personal information, emergency information, authorized persons to release the child(ren) to, a medical release, and a liability waiver. Only the person registering the child is authorized to make changes to the registration packet. A copy of these forms will be kept on file at the Recreation Center and a copy will be kept in the child's group's binder. Parents are responsible for providing Leaders or the Recreation Center office staff with updated information in writing.

The registration forms must indicate whether or not the child's shot record is on file at their school; if not, a copy of the shot record must be provided to be kept on file at the Recreation Center.

For age verification purposes, first time participants must provide a copy of the child's birth certificate or shot record for age verification.

All written correspondence and forms regarding the child's absenteeism, change of phone number, tardiness, change of authorized pick up, etc. will be kept on file for two years at the Recreation Center.

Attendance, Participation, Other Recommendations

Children who are enrolled in a Youth Program will check in with their Leader upon arrival to the Program. The City is not responsible for a child(ren) until the child(ren) has checked in at the Program.

Financial aid recipients are required to attend three times per week (absences should be approved in advance by the Program Supervisor). Failure to attend (or report absences) may result in financial assistance being suspended for one year and termination from the program. Suspension includes all Farmers Branch Parks and Recreation Department Youth Programs (Summer Funshine and Holiday Craze), and classes (gymnastics, dance, karate, etc).

Parents/legal guardians should keep track of scheduled activities of Programs. Parents/legal guardians need to take their child(ren) to the Program's location when the child(ren) arrives late to the Program.

Parents are to contact the Program Supervisor if their child cannot participate in outdoor activities, physical

activities, and/or exercise. A determination will be made if accommodations can be made and the parent will be notified as soon as possible.

Participants should wear closed-toed shoes. Hard sole shoes are not allowed. Open-toed shoes are not recommended.

Participants should not bring phones, games, electronics, large sums of money, or other valuables to the program unless otherwise noted. We are not responsible for lost or stolen items. All personal items (backpacks, towels, lunch boxes, etc.) should be labeled.

Participants are required to follow all Summer Funshine, Recreation Center, and Aquatics Center rules.

Early Drop-Off and Late Pick-up

Summer Funshine and Holiday Craze Program hours are 7:30 a.m.-6:00 p.m. Staff does not supervise participants prior to 7:30 a.m.

A ten-minute grace period is granted before late fees are initiated. The first incident will result in a written reminder to the parents. Further incidents will result in a \$1.00 late charge for every minute period after 6:10 p.m.. The late pick-up fee should be paid the day of the late arrival. Being late three times in a 30-day period could be cause for termination from the Program.

Discipline Policy

Disciplinary action will be taken when a child acts inappropriately, is disruptive, or creates a safety concern. Youth program participants are prohibited from having anything in their possession that could be considered a weapon, including, but not limited to knives, pocket knives, razors, firearms, and pyrotechnic devices to name a few. When it is deemed a child is behaving unsatisfactorily, the child will be warned and/or placed in time-out. If the behavior continues or is severe, the child will receive a Behavioral Report. Behavioral Reports are to be signed by the parent and the parent will receive the white copy. Suspensions and terminations are determined by the severity of the incident and/or the number of Behavioral Reports issued during a given Farmers Branch youth program trimester (spring, summer, or fall). The spring trimester includes January through April Holiday Craze dates; the summer trimester includes Summer Funshine Program; the fall trimester includes September through December Holiday Craze. Suspensions and terminations will have Parks and Recreation Department Management approval before being implemented, unless the parent requests immediate enforcement. Suspensions and terminations include Holiday Craze and Summer Funshine; therefore, serving the disciplinary action may carry over from one program to the next. "FYI's" are also given to parents to inform them of any issues that may have occurred during the program.

Disciplinary action ranges from a verbal warning to immediate dismissal from the program depending on the severity and or nature of the issue. Staff will review Behavioral Reports and notify the parent/guardian of disciplinary action.

A child who has been terminated from the Farmers Branch youth programs will not be eligible for enrollment or participation in any Farmers Branch youth program or class and will not be allowed at the Recreation Center, until eligibility is regained. Children terminated from the Farmers Branch youth programs and who have already been registered for an upcoming Farmers Branch youth program will be removed from the upcoming program and fees refunded. If the child re-gains eligibility to enroll in Farmers Branch youth programs, then the child may register if space is available or may be placed on the waiting list and may attend the Recreation Center.

If a child returns to the Farmers Branch youth programs after serving a termination, they will be on probation for the remainder of the trimester (spring, summer, or fall). During the probation period, the disciplinary steps will be accelerated to suspension being issued on the second Behavioral Report and termination issued on the third Behavioral Report. Depending on the severity of the incident and/or its relation to previous reports, suspension or termination may be issued on the first incident. When the probation period ends at the end of the trimester (spring, summer, or fall) the child will return to the normal disciplinary steps.

Two terminations in a calendar year may result in permanent termination from Farmers Branch youth programs.

Parent Release/Sign-Out

The registration form includes a section for the parent or guardian to provide the names of those persons allowed to pick up their child(ren) from the youth program. Only the person completing the registration packet is authorized to make changes to the registration packet. Driver's license numbers are to be supplied for each authorized person, including the parent or guardian. The following procedures will be followed at all times:

1. When a parent/guardian or authorized person comes to pick up the child(ren), they are to sign the child(ren) out. Honking or waiving for the child(ren) to come to the car is not acceptable.
2. Children who are permitted to walk home must sign themselves out.
3. Until familiarity is established, identification will be requested.

When an unauthorized person comes to pick up a child, the following procedures will be followed:

1. Leaders will ask for identification on anyone they are not familiar with.
2. The sign-out policy and the reason for it will be explained to the person desiring to take the child(ren).
3. The parent/guardian will be contacted to inform them of the person on site asking to pick up their child(ren). The parent or guardian will be asked for their driver's license number also, to verify that staff is talking to the parent or guardian.
4. The parent or guardian will be asked to grant permission for their child(ren) to be released to the person on site. The parent or guardian will be asked to email a signed permission letter to the Recreation Supervisor at meagan.petter@farmersbranchtx.gov prior to release.
5. Once permission is granted, the child will be released to the person on site.
6. If the parent or guardian cannot be reached or does not grant permission, the child will not be released to the unauthorized person.
7. If the unauthorized person takes the child(ren) without permission, the police will be notified and the solution will be handled as a criminal incident.

Parents/Visitors/Drop-ins

Parents/guardians picking up children are allowed and even encouraged to visit with the Program Supervisor and Leaders to familiarize themselves with staff and the Program, but visits should be short. If a situation requires a rare longer visit, the parent/guardian should set an appointment with the Program Supervisor so that ratios are not disturbed. Parents/guardians that wish to observe their children and the Program or serve as volunteers should contact the Program Supervisor and set up involvement parameters and scheduling that will benefit the parents, the children, and the Program. This includes completing a criminal background check that is clear of any criminal history. Parents/guardians should not "confront, scold, or deal with" behavior they believe is inappropriate in children other than their own. Parents/guardians signing out his/her child(ren) should leave the program area once the child has been signed out. Note: families may remain in the Recreation Center separate from the program area after a child has been signed out.

Parents/guardians/family members planning to attend a field trip should complete a liability waiver and contact the Program Supervisor at least 48 hours in advance or one week (seven business days) in advance if a criminal background check has not been completed. Parents/guardians and other family members are responsible for their

own transportation, paying the entrance fee and any other expenses for the field trip.

The only animals allowed inside the building are service animals assisting patrons or animals scheduled for programming purposes.

Illness of Participants

Parents are responsible for informing the City of any special needs, concerns, or information regarding their child's health.

All participants must be able to participate in the full-range of activities offered. Any child meeting any of the following criteria will not be admitted to the Program:

1. If the illness prevents the child from participating comfortably in the program activities.
2. If the illness results in greater need for care than the staff can provide without compromising the health, safety, and supervision of the other children or staff.
3. If the child has an oral temperature of 100.4 degrees or greater (upon return, the child must be fever free for 24 hours).
4. If the participant's symptoms and signs of possible severe illness include, but are not limited to lethargy, uncontrolled breathing, diarrhea, vomiting illness, rash with fever, mouth sores with drooling, wheezing, or behavior change, will not be admitted until the staff is comfortable that medical evaluation indicates the child can be included in the Program's activities.
It is imperative that your child(ren) not swim if they are ill, or have been ill with diarrhea in the past two weeks. Please let staff know if your child should stay out of the water.
5. If the child has been diagnosed with a communicable disease until medical evaluation determines the child is no longer communicable.
6. If the child vomited in the morning prior to coming to the program.
7. If the child has discolored nasal discharge.

Participants with extensive sunburns (open sores, blisters) will be allowed into the Program but will not be allowed to participate in any swimming activities until the area(s) is completely healed. Participants with a communicable disease such as pink eye may not attend the program.

Parents will be notified by phone if the participant becomes ill while at the program. If the parent cannot be reached, the emergency contact will be called. Any child experiencing a fever over 100.4 degrees, vomiting, diarrhea, or contagious skin or eye infections will be removed from common areas and must be picked up within one hour of contact with the parent or emergency contact person listed.

Parents must provide a written statement from the doctor stating the child is free from contagious disease before returning to the Program after a contagious illness. Medical information may be faxed to the Recreation Center at 972.919.8799 or emailed to the Recreation Supervisor at meagan.petter@farmersbranchtx.gov.

In the event of critical illness or injury, proper medical personnel and parents will be notified. At the discretion of the medical personnel, the child may be transported to an emergency room or clinic by ambulance or by the parent. Parents will be responsible for any expenses incurred with treatment or transportation.

Farmers Branch Youth Programs follow the C-FBISD's Lice Prevention, Control, and Treatment Protocol. In short, that means participants found with **live lice** will be sent home at the end of the day after contacting a parent/guardian. Parents/Guardians will be advised to treat their child for head lice. After treatment has been completed, the student can return to the program (see Treatment Letter for additional details prior to returning).

Participants identified with **nits only** will have their parent/guardian contacted to see if treatment has taken place

within the last seven days. If treatment has occurred within the last week, the student may stay in the program. If treatment has not occurred in the last seven days, the student will be sent home at the end of the day for treatment and removal of lice (see Treatment Letter for additional details prior to returning).

Educational materials, including the Treatment Letter, can be obtained in person from your child's leader or via email/fax from the Recreation Supervisor or Recreation Center Manager.

Medication

The City of Farmers Branch Youth Programs will administer medicine only with written parental permission and will administer medication only as stated on the label directions or as amended by the physician. A medicine form must be completed for each prescription the child receives at the Program. Medicine forms are available at the main office. Leaders are responsible for administering medication at the time indicated on the medicine form. Medications and the completed form will be kept in a lock bag with each group. Medications requiring refrigeration will be kept in the "medication only" refrigerator located in the clinic at the Recreation Center.

Medications must be in their original container, labeled with the child's name, the date (if prescription), include directions on how to administer, and include the physician's name (if prescription). Medications requiring refrigeration must be noted on the medicine form.

Inhalers and peak flows must have instructions.

The City of Farmers Branch Youth Program Staff are authorized to administer EpiPen injections in accordance with the injections policy. Refer to *Standards of Care* for policy details. No other injections will be administered.

Over-the-counter medications will be administered only when accompanied by a medicine form and are in the original container. Over-the-counter medications will be administered by label directions only.

Parents are responsible for removing medication at the end of the Program or when the child is withdrawn. Any medication left on-site will be properly disposed of two weeks after the completion of the program.

Youth Program Payments

While enrolled in the program, families are responsible for paying fees as scheduled, regardless of vacation, illness, or any other absenteeism. If the City is unable to process the draft payment, an alternate form of payment (cash, check, or credit/debit card) must be made by 9 a.m. the following Monday. A \$5 late fee may be assessed on late payments.

Families who are five business days late may be dropped from all Farmers Branch youth programs. Family members will not be permitted to register for any Farmers Branch youth program or recreation classes until all outstanding fees are paid. Outstanding fees may be turned over to a collection agency.

Withdraw Procedures

Any parent requesting to withdraw his/her child(ren) from a Youth Program must fill out a drop form at the time of Departure or send an e-mail to the Recreation Supervisor. Drop forms are available at the front desk of the Recreation Center, or may be requested by fax or email. Parents are responsible for fees up to the date the child is formally withdrawn with a Drop Form, regardless of attendance. Any child(ren) withdrawn from the program may be readmitted only as space allows. If a parent is due a refund, it will be based on when the family was withdrawn from the program or upon the dated e-mail.

Financial Aid

The following is necessary to apply for financial assistance and will be valid for one year unless your family circumstances change.

All children will wear seat belts while being transported with the exception of commercial vehicles that do not offer seat belts.

Staff Code of Ethics

Program Leaders are expected to adhere to the City's *Staff Code of Ethics*, which includes not accepting gifts from participants or babysitting and/or socializing with participants outside of the Program.
